Section 1: Introduction

The Freedom of Information (Scotland) Act 2002 requires Scottish public authorities to produce and maintain a publication scheme. Authorities are under a legal obligation to:

- Publish the classes of information they make routinely available
- Tell the public how to access the information and what it might cost

Old Machar Medical Practice has adopted the Model Publication Scheme 2014 produced by the Scottish Information Commissioner. The scheme has the Commissioner's approval until 31 May 2018.

You can see the model publication scheme on the Commissioner's website at www.itspublicknowledge.info/mps or by contacting us at the address provided below.

The purpose of this Guide to Information is to:

- allow you to see what information is available (and what is not available) in relation to each class
- state what charges may be applied
- explain how you can find the information easily.
- provide contact details for enquiries and to get help with accessing the information
- explain how to request information we hold that has not been published.

Constitution

This GP practice is constituted under the National Health Services (Scotland) Act 1978 and is contracted by NHS Grampian to provide primary medical services under GMS Regulations.

How the practice is run

The practice is owned by the partners and practice employees are employed directly by the partnership of Old Machar Medical Practice.

As well as clinical roles the partners have responsibility for management areas relating to the running of the practice such as staff management, finance, premises and quality. The roles are discussed and updated regularly and a list of their roles is made available to staff. The partners are supported in their roles by the Practice Manager.

The partners and clinical staff (including attached staff) meet monthly to discuss patient care and to discuss and implement information items which may affect patient care. Chairing of the meeting is undertaken by Dr A.R. McKay and actions are documented in the patient notes or elsewhere as appropriate.

Strategic and operational decisions are made by majority vote of all the partners.

Significant Events are raised at the fortnightly Clinical Cases meeting and actions are documented. There are quarterly reviews of Significant Events to check that actions have been completed and any changes implemented.

There are regular pre-planned meetings at the practice attended by the attached Geriatrician, staff members of the local nursing home, CPN workers, the partner who leads on the care of Jesmond Care Home patients, Dr D.J. Wearden, and the Nurse Manager from Old Machar Medical Practice to discuss patient care with the Geriatrician.

There are fortnightly partners' meeting attended by the partners and the Practice Manager (or Office Manager in her absence). The chairing of the meeting is undertaken by the Administration Partner, Dr R.J. Stewart. Openness and honesty are encouraged to discuss items regarding the running of the practice with the Practice Manager. The Practice Manager prepares the agenda in advance with input from all partners. Minutes are prepared by the Practice Manager and staff are advised of decisions arising from the meeting which relate to them.

The administration team meet every 6 weeks with the Practice Manager and a partner (on a rotational basis). Staff can add items to the agenda and Minutes are prepared and issued to all staff by the Office Manager. The Practice Manager will put any management issues raised on the Partners' Meeting Agenda and will feed back on decisions affecting staff from the partners' meeting.

We also have Quarterly Business Meetings where strategic planning issues involving all partners and the management team are discussed. The chairing of the meeting is undertaken by the Administration Partner, Dr R.J. Stewart. Openness and honesty are encouraged to discuss items regarding the business of the practice with the Practice Manager. The Practice Manager prepares the agenda in advance with input from all partners. Minutes are prepared by the Practice Manager and staff are advised of decisions arising from the meeting which relate to them.

Under our contract of services with the NHS Grampian we are obligated to meet the requirements of this contract and must provide information to support this to the NHS board. The practice is audited by Practitioners Services Division under Payment Verification processes which assess that payments made to practices are correct. PSD is responsible for providing assurance to NHS boards that the payments made on their behalf to GP practices are accurate and valid. The work conducted under Payment Verification includes patient registration checks, documentary checks, trend analysis, and practice visits.

General practitioners have a duty of care to their patients and are registered with the General Medical Council and follow the standards and good medical practice guidelines laid down by the GMC, including the requirements set out in the GMC guidance *Duties of a Doctor* (http://www.gmc-uk.org/guidance/good_medical_practice/duties_of_a_doctor.asp).

Our aim in maintaining this guide is to be as open as possible. You should note, however, that there may be circumstances where information will be withheld from one of the classes of information listed in *Section 14 – Classes of Information*. Information will only be withheld where permitted by The Freedom of Information (Scotland) Act 2002 (FOISA).

Information may be withheld, for example, where its disclosure would breach the law of confidentiality or harm an organisation's commercial interests. Information may also be withheld if it is another person's personal information, and its release would breach data protection legislation.

Information would not be disclosed in the following examples:

- Requests for information that is contained in patient medical records. However, you do have the right to request your own medical records, see *Section 13 - How to access information which is not available under this scheme*.

Charges for information which is not available under the guide

The charges for information which is available under this guide are set out under Section 8 – Our Charging Policy. Fees for information that is not available under this guide are outlined in The Freedom of Information (Fees for Required Disclosure) (Scotland) Regulations 2004. General information requests

- There will be no charge for information requests which cost us £100 or less to process.
- Where information costs between £100 and £600 to provide, you may be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50, calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.
- We are not obliged to respond to requests which will cost us over £600 to process.
- In calculating any fee, staff time will be calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving and providing information to you.

You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Charges for environmental information

We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released.

In the event that we decide to impose a charge we will issue you with notification of the charge and how it has been calculated. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Charges are calculated on the basis of the actual cost to the authority of providing the information.

- Photocopying is charged at 10p per A4 sheet for black and white copying, 30p per A4 sheet for colour copying.
- Postage is charged at actual rate for first class mail.
- Staff time is calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.

Where information costs between £100 and £600 to provide, you will be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50 calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.

Where it would cost more than £600 to provide the information to you, however, we will ask you to pay the full cost of providing the information, with no waiver for any portion of the cost.
